

St. Leonard's Primary School

Year of Service

2024/2025 is a year of service for our school. Service is one of our Christian values and as a school family we recognise the importance of demonstrating kindness to others. This is reflected in our school vision. This is one of the many ways that as a school family we can live out this vision both inside and outside school.

We are encouraging all our children and staff to take action to help others outside of school. This action could be: helping an elderly relative, helping the community by organising a litter pick, raising money for a charity or cause that they really care about. The possibilities are endless!

We are recognising this service and sharing ideas in school. When your child has served please fill in this form. When the form is returned to school the children will receive a star pin badge in recognition of their service. There is no rush to complete this – it can be done at any point in the year (max 1 per term).

We would love to see and share the acts of service so please send pictures to Mrs Beard via Dojo.
